

LMA Vision

An Australian Muslim community that has a positive and sustainable contribution globally.

LMA Objectives:

- The LMA is dedicated to assisting in the growth of solid, strong, sustainable, articulate and effective Muslim communities. When Muslim communities are healthy and strong, the positive and uplifting impact of the Muslim presence will be felt throughout Australia.
- The LMA works hard to meet the community's religious, educational, social and recreational needs. It promotes community independence through the enhancement of the infrastructure and networks of the Australian Muslim community.
- The LMA's purpose is to strengthen families, empower women, encourage youth, engender a vibrant community, cultivate leadership and foster respect for all.
- The LMA is committed to working on the national level to promote and protect the interests of Muslims in Australia. As a grassroots organisation, the LMA voices the concerns of the Muslim community and takes necessary actions to advocate and realise the religious, social, cultural, educational, economic and political rights of Muslims in Australia.
- The LMA is dedicated to reaching out to convey the message of Islam, speaking out against injustices, advocating Islamic solutions to societal problems and becoming involved in effecting positive change in Australia.
- The LMA has a greater vision for Australian Muslims and is committed to attaining a world-class organisation for the Muslim community.
- The LMA is open to all Muslims, regardless of their ethnic, economic, language or racial background. In fact, Muslims of Australia form an international spectrum of backgrounds. The LMA welcomes the participation of all segments of the diverse Muslim population and encourages their voice and presence in the LMA's activities.

About LMA

INFORMATION GUIDE

The Lebanese Muslim Association (LMA) was established in 1962 by a group of Lebanese immigrants. Its aim is to provide social, religious, educational and recreational services for the Muslim Community in Australia.

The LMA works with government agencies, not-for-profit organisations and individuals on small and large projects providing much needed services and awareness of Islam. Over the last 40 years, the LMA has grown to be one of the leading Islamic, grassroots, community-based organisations in Australia.

Currently, the LMA manages one of Australia's largest mosques and has become one of Australia's largest Islamic not-for-profit organisations.

LMA Mission Statement:

To build resilient and inclusive communities where Australian Muslims realise their full potential.

To strengthen the Australian Muslim community through effective leadership.

To serve and engage the Muslim community through social harmony in a multicultural environment.

To build a better future for the Australian Muslim community through empowerment and enriching the understanding of Islam.
